
About Berkey® Water Purifiers

Now you can enjoy virtually the Most Delicious, Freshest, Healthiest drinking water possible for pennies a day...

Berkey® Systems are the World's Most Powerful and Economical Personal Water purification Systems Providing Reliable and User-friendly Water Purification in Both Normal and Hostile Filtration Environments.

Moreover, Berkey® systems are capable of purifying both treated water and untreated raw water from such sources as remote lakes, streams, stagnant ponds and water supplies in foreign countries, where regulations may be substandard at best. So powerful, this system is able to remove food coloring from water without removing the beneficial minerals your body needs. Perfect for everyday use and a must in hostile environments where electricity, water pressure or treated water may not be available.

Berkey® Natural Purification Systems are the ultimate in water purification and the ideal personal protection and traveling companions. Used worldwide for normal, hostile and emergency environments to provide the purest, sparkling clean water possible...

For generations, health-conscious people around the world have recognized that the foundation to a healthy life and healthy body is clean, fresh drinking water. This important essential element is the basis for enjoying your longest, healthiest life. No amount of vitamins or supplements can substitute for the vital life-sustaining properties found in nourishing, healthful drinking water. It is truly the foundation of life.

Unfortunately, securing your access to good tasting, sparkling, wholesome drinking water can be harder than you might expect. Water is often laced with chlorine, lead, high levels of harmful bacteria, and other unwanted chemicals and contaminants. Frequently these produce unpleasant tastes and odors. Even bottled water can contain these same contaminants, and moreover it is very expensive. Other filtration systems are inferior. Most do not remove pathogenic bacteria and many remove the beneficial minerals that your body needs.

Perhaps that's why Berkey®

systems have long been recognized as the world's ultimate in water purification. This simple, highly effective method of using gravity was developed almost 200 years ago... yet it still produces some of the finest, most healthful drinking water available.

How Berkey® Natural Water Purifiers Operate

To use, water is poured into the upper chamber. Gravity draws this water through the exclusive purification elements where contaminants are captured on and within these micro-porous elements and are separated from the water. The purified water then collects in the lower chamber where it can be drawn through the spigot. What's more, Berkey® elements are re-cleanable and can be used over and over again.

FEATURES AND BENEFITS

* HEALTHY - Berkey®

systems are far superior to other filtration systems because they remove harmful pathogenic bacteria, cysts and parasites as well as unhealthy chemical contaminants and impurities while leaving in the essential minerals your body needs. Berkey® systems produce virtually the most healthful, clean and delicious water available.

* CONVENIENT - Berkey®

systems assemble in minutes without tools, electricity, water pressure, or plumbing. What's more, they are simple to operate and maintain.

* ECONOMICAL - Berkey®

systems are easily the most economical water purification system you can own. Their unique design allows you to easily remove and re-clean the purification elements over and over again.

* POWERFUL - Berkey®

systems can easily purify ordinary tap water, yet are so powerful, they efficiently purify raw, untreated water from such sources as remote lakes and streams. What's more, Berkey® systems are the ideal water purification systems to have on hand in the event of natural disasters such as blackouts, hurricanes, floods, earthquakes as well as local or national emergencies when treated tap water may not be available.

* FLEXIBLE - Berkey®

systems are so convenient and easy to use, you can take them anywhere: on vacations, hunting and camping trips, college dorms and they are ideal systems for RVs and pleasure craft.

* ELEGANT - The elegant high-grade polished 304 stainless steel design makes Berkey® systems an attractive addition to any kitchen or home yet each system is both rugged and durable.

* PROVEN HISTORY - The same high quality and effectiveness of the gravity filtration process, that is utilized in Berkey® systems, has stood the test of time. Gravity filtration has been used by relief organizations such as UNICEF, the Peace Corps, Red Cross Societies Internationally, missionaries and relief workers in over 140 countries throughout the world.
